Attention Applicant:

Due to the time we invest in each student, we currently only accept one new student per month into our BeaverCorps Training Program. We receive more requests than we can accept, so admission is not guaranteed. Please answer the following questions as best you can in order for us to better understand your interests and abilities. Our Board of Directors selects who is accepted for the BeaverCorps Professional Training Program based upon multiple factors, but they rely heavily on the answers you will provide in this application. Thank you for your interest in this course.

Application Questions (250-word limit per question)

1. Why are you interested in this training?
2. What do you hope to achieve with this training?
3. Do you have any beaver or wetland-related experience?
4. Where would you like to see yourself in 5 years?
5. What skills and strengths do you possess that will help you do this work?
6. What are your perceived weaknesses?
7. Is there anything else you would like us to know?

Please return your completed application and, if desired, the financial assistance request form to Mike Callahan at the address above, or via e-mail to mike@beaverinstitute.org.

Thank you!
