The Beaver Institute is happy to offer a limited supply of BeaverCorps scholarships for individuals facing financial hardship. Due to the large influx of BeaverCorps applicants, the Beaver Institute will prioritize scholarship awards for individuals who are located in underserved areas and are ready to begin the training program within 30 days of acceptance of a scholarship award.

Applicants who accept a scholarship award but are unable to make their initial tuition payment within 30 days will forfeit their scholarship or must apply for a scholarship award extension before 30 days have passed. Scholarship award extensions are not guaranteed, and the award amount may be adjusted based on available funding at the time the extension is requested.

The BeaverCorps Professional Training Program tuition is \$2,500.00. Scholarship awards typically range from \$250.00 to \$1,000.00 and are approved by the BI BeaverCorps Review Committee based on need, qualifications, and funding availability. To apply for assistance, please indicate the amount you are requesting and why it is needed. (up to 250 words)
